Travel Team Coaching Application

Thank you for applying to coach for Augusta FC! Our volunteer coaches are the backbone of our club and we appreciate the time, talent and enthusiasm you bring to our youth player development.

In order to continue to advance the quality of soccer in our area, the Augusta FC Programs Committee has developed new coaching education standards as defined below. While we consider these new standards to be an important part of continuing the growth of our player development program, we understand that the majority of you are volunteers and your time is limited. With that in mind, we have kept the standards broad and hopefully easily attainable within your free time. As always, if you have any questions or concerns about the information below, please contact our DOC, Scott Harrison. Scott will also keep our coaches well informed about upcoming education courses hosted by us as well as other area clubs in addition to CE opportunities as they become available.
