

Augusta FC Tournament Notification Form

Augusta FC pays for one tournament per season for each team. This is a club tournament that is chosen by the Director of Coaching after discussions with current coaches. Teams may attend other tournaments at the teams' expense.

Teams wishing to attend additional tournaments need to complete this form for every tournament they will attend whether or not the club pays for the tournament.

Please complete the form and return to the Travel Scheduler via email. Your team is responsible for completing the online tournament registration. After registration, provide the Travel Scheduler with a copy of the confirmation and coordinate sending funds to the Augusta FC treasurer. Payment will then be sent directly to the tournament director from the club. All tournament funds must go through the Augusta FC treasurer.

Please complete one form for each tournament your team will attend, and give plenty of time for processing.
